

Complaint about childcare provision

Ref: 2563245/5587458

Date: 23 November 2023

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 10 November 2023, we received concerns that the provider was not meeting some of these requirements.

On 22 November 2023, we carried out a regulatory telephone call. We found the provider was not meeting some of the requirements and had taken action to put this right. The provider has arranged for all staff to repeat their behaviour management training to improve their understanding of the policy and the strategies to use. The provider has placed additional experienced practitioners at the setting to support staff to improve their practice.

The provider will be able to give parents further information about this. The provider is still registered with Ofsted.

Publication of complaints

We publish details of complaints made against childminders, home childcarers and childcare providers where we or the provider have taken action in order to meet legal requirements.

We publish details of complaints on our website for a period of five years.
