

Compliance action taken for childcare provision

Ref: 2544258/5561184

Date: 17 November 2023

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 13 October 2023, we received concerns that the provider was not meeting some of these requirements.

On 9 November 2023, we carried out a regulatory visit. We found the provider was not meeting some of the requirements. We have issued actions for the provider to take. The provider will be able to give parents further information about this. The provider is still registered with Ofsted.

Actions needed by 22 November 2023:

- improve risk assessment and take steps to minimise all hazards to children
- ensure Ofsted are notified of changes to adults working on the premises within the required timeframe so that suitability checks can be completed.

The provider has since confirmed that she has improved her risk assessment arrangements to support children's safety and Ofsted have now been notified of new adults working on the premises. We are satisfied with the action taken by the provider.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.

For further information please read the Early years compliance handbook which can be found here at www.gov.uk/government/publications/early-years-provider-non-compliance-action-by-ofsted.
