

Complaint about childcare provision

Ref: 253139/5593841

Date: 24 November 2023

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 16 November 2023, we received concerns that the provider was not meeting some of these requirements.

On 23 November 2023, we carried out a regulatory telephone call. We found the provider was not meeting some of the requirements and had taken action to put this right. The provider has reviewed weekly food menus to ensure that all meals and snacks meet the dietary requirements of children attending. A full risk assessment has been undertaken and practice has been reviewed. This has improved procedures for promoting children's health and safety at mealtimes. The provider has reviewed procedures for when to notify Ofsted of significant incidents.

The provider will be able to give parents further information about this. The provider is still registered with Ofsted.

Publication of complaints

We publish details of complaints made against childminders, home childcarers and childcare providers where we or the provider have taken action in order to meet legal requirements.

We publish details of complaints on our website for a period of five years.

For further information about the complaints process please view the [Concerns and complaints about childminders and childcare providers leaflet](#).
