The Childcare Register: inspection outcome - non-compliant

I inspected your childcare provision on 27 September 2023.

I found that you were not meeting all of the requirements for registration on the Childcare Register and I discussed the reason(s) for this during the visit.

We have therefore set the following actions:

ACTIONS

The following actions are to be completed by the date shown	Date
■ ensure that an enhanced criminal record certificate has been obtained in respect of every person who cares for the children	13/10/2023
■ provide the training necessary to ensure the person caring for children has the skills and experience suitable to care for the children	06/10/2023
■ ensure necessary measures are taken to minimise any risks to the health or safety of the children and of any person who works caring for the children, arising from the relevant premises, the equipment used and the activities provided	28/09/2023
■ ensure a record is maintained of any medicine given to a child, including the date, circumstances and who gave it (this includes medicine that the child takes themselves) and a record of the parent's consent.	28/09/2023

You must complete the actions by the dates shown.

Please read carefully the registration requirements for the Childcare Register which are described in the early years and childcare guide to registration, which you can find on our website at <https://www.gov.uk/government/publications/become-a-registered-early-years-or-childcare-provider-in-england> as you must meet these requirements in order to remain registered on the Childcare Register.

Yours sincerely
