

Compliance action taken for childcare provision

Ref: 301616/5566937

Date: 28 November 2023

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 21 October 2023, the provider notified us of a significant event. The notification means that the provider met their legal responsibility as set out in the Statutory framework for the early years foundation stage to notify Ofsted of significant events.

On 14 and 17 November 2023, we carried out a regulatory telephone call. We found that the provider was not meeting some of these requirements. We have issued an action for the provider to take. The provider will be able to give parents further information about this.

- identify and take all reasonable steps to reduce risks to children when taking and collecting them from other provisions they may also attend to keep children safe
- ensure children are adequately supervised at all times and remain within sight and hearing and always within sight or hearing to ensure their safety.

On 22 November 2023 the provider responded to the actions set. We found the provider had assessed the risks to children and taken steps to ensure children's safety. The provider had also taken appropriate steps to ensure children are adequately supervised at all times.

The provider is still registered with Ofsted.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to

bring about compliance with requirements on our website for a period of five years.

For further information please read the Early years compliance handbook which can be found here at www.gov.uk/government/publications/early-years-provider-non-compliance-action-by-ofsted.
