

Complaint about childcare provision

Ref: 2710814/5580037

Date: 28 November 2023

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 2 and 10 November 2023, we received concerns that the provider was not meeting some of these requirements.

On 20 November 2023, we carried out a regulatory telephone call. We found the provider was not meeting some of the requirements and had taken action to put this right.

The provider has held staff meetings to discuss dietary procedures and introduced new information to staff regarding the importance of following information regarding cross-contamination.

They have updated all dietary lists and created larger placemats for all children as a greater visual aid for all staff.

The provider is ensuring dietary checks are completed accurately and consistently to ensure that policies and procedures are being followed.

The provider will be able to give parents further information about this.

The provider is still registered with Ofsted.
