The Childcare Register: inspection outcome - non-compliant

We have therefore set the following actions:

The following actions are to be completed by the date shown	Date
■ ensure that there is an up-to-date safeguarding policy that reflects guidance and procedures of the local safeguarding partnership	27/11/2023
■ improve staff's safeguarding knowledge to ensure that they recognise matters that may link to potential safeguarding concerns, and are confident in their knowledge to address these promptly to protect children from harm	27/11/2023
■ ensure that all persons with governance and oversight understand their roles and responsibilities, including notifying Ofsted of changes to the organisation	27/11/2023
■ ensure staff receive effective supervisions, to provide them with support, mentoring and training to help them to understand their roles and responsibilities	27/11/2023

You must complete the actions by the dates shown.

Please read carefully the registration requirements for the Childcare Register which are described in the early years and childcare guide to registration, which you can find on our website at <https://www.gov.uk/government/publications/become-a-registered-early-years-or-childcare-provider-in-england> as you must meet these requirements in order to remain registered on the Childcare Register.
