

Complaint about childcare provision

Ref: 142884/5563089

Date: 13 November 2023

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 17 October 2023, we received concerns that the provider was not meeting some of these requirements.

On 8 and 10 November 2023, we carried out regulatory telephone calls. We found the provider was not meeting some of the requirements. We have issued an action for the provider to take. The provider will be able to give parents further information about this.

Action needed by 30 November 2023:

- ensure those with lead responsibility for safeguarding have a robust understanding of what constitutes an allegation against a member of staff and the correct procedures for reporting any potential allegations.

On 1 December 2023, the provider responded to the action set. We found that the provider had improved their knowledge and understanding of child protection procedures and now fully understands their responsibilities.

We are satisfied the provider has met the safeguarding and welfare actions raised.

The provider is still registered with Ofsted.
