

Compliance action taken for childcare provision

Ref: 2551232/5598392

Date: 6 December 2023

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 22 November 2023, the provider notified us of an incident relating to the management of children's dietary needs. The notification means that the provider met their legal responsibility as set out in the Statutory framework for the early years foundation stage to notify Ofsted of significant events.

On 6 December 2023, we carried out a regulatory telephone call. We found the provider was not meeting some of the requirements and had taken action to put this right.

The provider has conducted a thorough investigation into what occurred. The provider has reviewed their processes for managing children's dietary needs, including ensuring care plans are sufficiently detailed. They have met with their whole staff team and provided refresher training on best practice relating to this as well. Furthermore, the provider also intends to send all staff on allergy management training and has purchased a practice epi-pen for their provisions to focus on boosting staff confidence in administration of this type of medication in future.

The provider will be able to give parents further information about this. The provider is still registered with Ofsted.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.

For further information please read the Early years compliance handbook which can be found here at www.gov.uk/government/publications/early-years-provider-non-compliance-action-by-ofsted.
