

Complaint about childcare provision

Ref: EY493462/5550381

Date: 7 December 2023

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 2 October 2023, we received concerns that the provider was not meeting some of these requirements.

On 16 November 2023, we carried out a regulatory visit. We found the provider was not meeting some of the requirements and had taken action to put this right. The provider has taken steps to re-train staff on implementing the setting's policies and procedures for checking the identity of all visitors. The provider will be able to give parents further information about this.

Publication of complaints

We publish details of complaints made against childminders, home childcarers and childcare providers where we or the provider have taken action in order to meet legal requirements.

We publish details of complaints on our website for a period of five years.
