

Compliance action taken for childcare provision

Ref: 2591980/5597672

Date: 5 December 2023

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundationstage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 22 November 2023, the provider notified us of an incident that happened at the setting on 19 October 2023. The notification means that the provider met their legal responsibility as set out in the Statutory framework for the early years foundation stage to notify Ofsted of a significant event.

On 1 December 2023, we carried out a regulatory telephone call. We found the provider was not meeting some of the requirements. We have issued an action for the provider to take. The provider will be able to give parents further information about this.

Action needed by 12 December 2023:

- ensure that the designated safeguarding lead person understands and follows the required procedures for reporting an allegation made against a member of staff.

On 11 December 2023, the provider responded to the action set. We found that the provider had taken steps to review their safeguarding policy and had made changes to their procedure in relation to reporting allegations made against staff. Furthermore, up-to-date safeguarding training was provided to all staff, including new management and staff members, to ensure everyone is fully aware of the changes made to the existing safeguarding policy.

We are satisfied the provider has met the safeguarding and welfare action raised. The provider is still registered with Ofsted.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply

with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.

For further information please read the Early years compliance handbook which can be found here at www.gov.uk/government/publications/early-years-provider-non-compliance-action-by-ofsted.
