

Complaint about childcare provision

Ref: 2711432/5591158

Date: 17 December 2023

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 14 November 2023, we received concerns that the provider was not meeting some of these requirements.

On 07 December 2023, we carried out a regulatory telephone call. We found the provider was not meeting some of the requirements and had taken action to put this right. The provider had implemented a new procedure for staff to follow when children are toilet training to ensure their needs are being met. The provider will be able to give parents further information about this. The provider is still registered with Ofsted.
