

Complaint about childcare provision

Ref: EY295902/5613351

Date: 19 December 2023

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 12 December 2023, we received concerns that the provider was not meeting some of these requirements. On 19 December 2023, we carried out a regulatory telephone call. We found the provider was not meeting one of the requirements. This related to an incident whereby a child had been given a food to eat that they should not have had. We found the provider had taken immediate action to put this right. Staff have received further in-house training to ensure that a similar incident does not happen again. The provider will be able to give parents further information about this. The provider is still registered with Ofsted.
