

Complaint about childcare provision

Ref: EY467388/5559692

Date: 4 December 2023

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 13 October 2023, we received concerns that the provider was not meeting some of these requirements.

On 28 November 2023, we carried out a regulatory visit. We found the provider was not meeting some of the requirements. We have issued actions for the provider to take. The provider will be able to give parents further information about this. The provider is still registered with Ofsted.

Actions needed by 18 December 2023:

- ensure a record of all first aid treatment given is kept and shared with parents
- ensure accurate records are kept that helps to ensure the needs of all children are met.

On 18 December 2023, the provider responded to the actions set. We found that the provider had improved their procedures for accurately recording the administration of any first aid treatment and incident records. These have been shared with staff. We are satisfied the provider has met the safeguarding and welfare actions raised. The provider is still registered with Ofsted.
