

## **Compliance action taken for childcare provision**

Ref: 120726/5601152

Date: 5 December 2023

### **Summary of outcome**

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at [www.gov.uk/government/publications/early-years-foundation-stage-framework--2](http://www.gov.uk/government/publications/early-years-foundation-stage-framework--2). If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 27 November 2023, we received concerns that this provider was not meeting some of these requirements. On 29 November we carried out a regulatory visit and found the provider was not meeting some of these requirements. We have issued an action for the provider to take.

Action needed by 15 December 2023

- improve knowledge and understanding of the procedures to follow in the event of an allegation against anyone working or living in the home.

On 18 December 2023, the provider responded to the actions set. We found that the provider had taken action to improve their knowledge of the process to follow in the event of an allegation. They are now able to demonstrate a secure understanding of how to manage allegations.

The provider is still registered with Ofsted.

### **Publication of compliance action**

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.
