

## **Complaint about childcare provision**

Ref: EY438250/5633175

Date: 16 January 2024

### **Summary of outcome**

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at [www.gov.uk/government/publications/early-years-foundation-stage-framework--2](https://www.gov.uk/government/publications/early-years-foundation-stage-framework--2). If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 11 January 2024, we received concerns that the provider was not meeting some of these requirements.

On 16 January 2024, we carried out a regulatory telephone call. We found the provider was not meeting some of the requirements in relation to taking appropriate action when an allegation of harm is made about a member of staff. However, they had taken action to put this right by contacting external agencies and amending their procedures for reporting any future allegations.

The provider will be able to give parents further information about this. The provider is still registered with Ofsted.

### **Publication of complaints**

We publish details of complaints made against childminders, home childcarers and childcare providers where we or the provider have taken action in order to meet legal requirements.

We publish details of complaints on our website for a period of five years.
