

## **Compliance action taken for childcare provision**

Ref: 2534449/5508259

Date: 5 December 2023

### **Summary of outcome**

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at Early years foundation stage (EYFS) statutory framework - GOV.UK ([www.gov.uk](http://www.gov.uk)). If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 1 August 2023, the provider notified us of police involvement. The notification means that the provider met their legal responsibility as set out in the 'Statutory framework for the early years foundation stage' to notify Ofsted of a significant event.

On 14 November 2023 we carried out an unannounced visit to the setting. We found the provider was not meeting some of the requirements. We have issued actions for the provider to take. The provider will be able to give parents further information about this.

Actions needed by 7 December 2023:

- ensure a daily record of attendance is kept
- ensure children receive healthy, nutritious and balanced snacks.

We will monitor the provider's response to ensure the actions are successfully completed.

On 7 December 2023, the provider responded to the actions set. We found that the provider had taken steps to ensure an accurate attendance record is kept and children receive healthy snacks.

We are satisfied the provider has met the safeguarding and welfare actions raised. The provider is still registered with Ofsted.

### **Publication of compliance action**

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to

bring about compliance with requirements on our website for a period of five years.
