

Compliance action taken for childcare provision

Ref: 2496417/5604336

Date: 23 January 2024

Summary of outcome

All early years providers must meet the legal requirements in the 'Statutory framework for the early years foundation stage', which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find a provider is not meeting the requirements, we can take action to ensure they put matters right.

On the 29 November 2023, we received concerns that the provider was not meeting some of these requirements.

On 12 December 2023 and 19 January 2024, we carried out two regulatory telephone calls. We found the provider was not meeting some of the requirements. We have issued actions for the provider to take. The provider will be able to give parents further information about this.

Action needed by 16 February 2024

ensure that procedures for managing any allegations that may be made against a member of staff are understood and followed by leaders and management.

We will monitor the provider's response to ensure the actions are successfully completed. The provider remains registered with Ofsted.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the

enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.

For further information please read the Early years compliance handbook which can be found here at www.gov.uk/government/publications/early-years-provider-non-compliance-action-by-ofsted.
