Ref: EY266115/5636702

Date: 24 January 2024

Summary of outcome

Outcome summary for Bo-Peeps

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 16 January 2024, we received concerns that the provider was not meeting some of these requirements.

On 19 January 2024, we carried out a regulatory visit. We found the provider was not meeting some of the requirements and had taken action to put this right. The provider has reviewed their understanding of risk assessments, to ensure that staff take action to identify, review and address risks throughout the day. They have improved their understanding of how to ensure that staff are deployed to meet ratio requirements, and that children are supervised effectively. The provider identified that they had not notified Ofsted of a significant event, as required.

The provider will be able to give parents further information about this. The provider is still registered with Ofsted.
