

## **Compliance action taken for childcare provision**

Ref: EY561012/5599656

Date: 29 January 2024

### **Summary of outcome**

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at [www.gov.uk/government/publications/early-years-foundation-stage-framework--2](http://www.gov.uk/government/publications/early-years-foundation-stage-framework--2). If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 21 November 2023, we received concerns that the provider was not meeting some of these requirements.

On 21 November 2023, the provider notified us of a safeguarding allegation. The notification means that the provider met their legal responsibility, as set in the Statutory framework for the early years foundation stage, to notify Ofsted.

On 18 December 2023 and 24 January 2024, we carried out regulatory telephone calls. We found the provider was not meeting some of the requirements and had taken action to put this right. The provider took steps to ensure that all staff receive effective training and supervision to improve staff's knowledge of safeguarding matters, including reporting procedures in line with the local safeguarding partners procedures.

The provider will be able to give parents further information about this. The provider is still registered with Ofsted.

### **Publication of compliance action**

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.

For further information please read the Early years compliance handbook which can be found here at [www.gov.uk/government/publications/early-years-provider-non-compliance-action-by-ofsted](http://www.gov.uk/government/publications/early-years-provider-non-compliance-action-by-ofsted).
