

Complaint about childcare provision

Ref: EY320387/5643339

Date: 29 January 2024

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 24 January 2024 we received information that the provider was not meeting some of these requirements.

On 26 January 2024 we carried out a regulatory telephone call. We found the provider was not meeting some of the requirements and had taken action to put this right. The provider has taken action to improve how information is shared with parents, in particularly in relation to accident or injuries and medication.

The provider will be able to give parents further information about this. The provider is still registered with Ofsted.
