

Complaint about childcare provision

Ref: 251515/5637735

Date: 2 February 2024

Summary of outcome

All early years providers must meet the legal requirements in the [Statutory framework for the early years foundation stage](#). If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 17 January 2024, we received concerns that this provider was not meeting some of these requirements. We spoke with the provider about the concerns. We found that the provider had failed to notify Ofsted of a significant event, which is a requirement of their registration.

The provider is still registered with Ofsted.

Publication of complaints

We publish details of complaints made against childminders, home childcarers and childcare providers where we or the provider have taken action in order to meet legal requirements.

We publish details of complaints on our website for a period of five years.

For further information about the complaints process please view the [Concerns and complaints about childminders and childcare providers leaflet](#).
