

Complaint about childcare provision

Ref: EY293733/5591984

Date: 7 February 2024

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 14 November 2023, we received concerns that the provider was not meeting some of these requirements.

On 5 February 2024, we carried out an unannounced regulatory visit. We found the provider was not meeting some of the requirements and had taken action to put this right. The provider has reviewed and improved the risk assessments of the nursery. For example, potentially hazardous substances are now kept in locked cupboards.

The provider will be able to give parents further information about this. The provider is still registered with Ofsted.

Publication of complaints

We publish details of complaints made against childminders, home childcarers and childcare providers where we or the provider have taken action in order to meet legal requirements.
