

## **Compliance action taken for childcare provision**

Ref: EY370096/5593374

Date: 20 February 2024

### **Summary of outcome**

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at [www.gov.uk/government/publications/early-years-foundation-stage-framework--2](http://www.gov.uk/government/publications/early-years-foundation-stage-framework--2). If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 15 November 2023, the provider notified us about a significant event. The notification means that the provider met their legal responsibility as set out in the Statutory framework for the early years foundation stage.

On 2 January 2024, we carried out a regulatory visit. We found the provider was not meeting some of the requirements and had taken action to put this right. The provider has risk assessed the premises and has taken appropriate action to ensure that all furniture and equipment is safe for children. The provider has reviewed all information and records to ensure that there are appropriate procedures in place to maintain records of information about children, any accidents or injuries that children sustain and any possible child protection concerns.

The provider will be able to give parents further information about this. The provider is still registered with Ofsted.

### **Publication of compliance action**

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.

For further information please read the Early years compliance handbook which can be found here at [www.gov.uk/government/publications/early-years-provider-non-compliance-action-by-ofsted](http://www.gov.uk/government/publications/early-years-provider-non-compliance-action-by-ofsted).
