

Compliance action taken for childcare provision

Ref: EY411466/5649988

Date: 22 February 2024

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 1 February 2024, the provider notified us of a safeguarding matter. The notification means that the provider met their legal responsibility as set out in the Statutory framework for the early years foundation stage to notify Ofsted of a safeguarding concern.

On 15 February 2024, we carried out a regulatory telephone call. We found the provider was not meeting some of the requirements and had taken action to put this right.

We found that the provider had reflected on their processes for referring concerns immediately and in line with local reporting procedures and now fully understands who and where to report concerns to.

We are satisfied the provider has improved their knowledge and understanding of child protection procedures and now fully recognises their responsibilities.

The provider is still registered with Ofsted.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.

For further information please read the Early years compliance handbook which can be found here at www.gov.uk/government/publications/early-years-provider-non-compliance-action-by-ofsted.
