

Compliance action taken for childcare provision

Ref: EY539636/5617899

Date: 22 January 2024

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 20 October 2023, the provider notified us of a safeguarding concern. The notification means that the provider met their legal responsibility as set out in the Statutory framework for the early years foundation stage to notify Ofsted of a significant event that is likely to affect the suitability of any person who cares for children.

On 19 January 2024, we carried out a regulatory telephone call to explore the notification made by the provider. We found that although at the time the provider was not meeting one of the requirements, they had taken action to put this right. The provider has put appropriate measures in place to ensure children are supervised at all times. Staff have received training to understand the expectations of their role and reviewed existing nursery policies and procedures that they must adhere to. The provider will be able to give parents further information about this. The provider is still registered with Ofsted.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.

For further information please read the Early years compliance handbook which can be found here at www.gov.uk/government/publications/early-years-provider-non-compliance-action-by-ofsted.
