

Complaint about childcare provision

Ref: EY417089/5652480

Date: 29 February 2024

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 2, 27 January and 5 February 2024, we received concerns that the provider was not meeting some of these requirements.

On 21 February 2024, we carried out a regulatory telephone call. We found the provider was not meeting one of the requirements and had taken action to put this right. The provider improved staff deployment arrangements to ensure children's needs are met, including during collection time.

The provider will be able to give parents further information about this. The provider is still registered with Ofsted.

Publication of complaints

We publish details of complaints made against childminders, home childcarers and childcare providers where we or the provider have taken action in order to meet legal requirements.
