

Compliance action taken for childcare provision

Ref: 2700957/5648489

Date: 16 February 2024

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 31 January 2024 , we received concerns that the provider was not meeting some of these requirements.

On 12 February 2024, we carried out a regulatory visit. We found the provider was not meeting some of the requirements. We have issued actions for the provider to take. The provider will be able to give parents further information about this. The provider is still registered with Ofsted.

Actions needed by 26 February 2024 :

- ensure that potential indicators of abuse are recognised at the earliest opportunity so that relevant action, including referrals to local safeguarding partnerships, are made in a more timely manner
- ensure that child protection procedures are consistently implemented, with specific regard to maintaining clear information about children's pre-existing injuries and responding in a timely manner when concerns are identified

We will monitor the provider's response to ensure the actions are successfully completed.

On 06 March 2024, the provider responded to the actions set. We found that the provider had improved their knowledge and understanding of child protection procedures and now fully understands their responsibilities.

We are satisfied the provider has met the safeguarding and welfare actions raised. The provider is still registered with Ofsted.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our

responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.
