

Compliance action taken for childcare provision

Ref: EY550413/5611553

Date: 11 March 2024

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 01 December 2024, we received concerns that the provider was not meeting some of these requirements.

On 05 December 2024, we carried out a regulatory telephone call. We found the provider was not meeting some of the requirements. We have issued an action for the provider to take. The provider will be able to give parents further information about this. The provider is still registered with Ofsted.

Actions needed by 22 December 2023:

- take all reasonable steps to ensure children are not exposed to risks that are not appropriate to their age and stage of development to keep children safe.

We will monitor the provider's response to ensure the action is successfully completed.

On 03 March 2024, we carried out a regulatory telephone call. We found that the provider had taken steps to ensure children are not exposed to risks that are not appropriate to their age and stage of development.

We are satisfied the provider has met the safeguarding and welfare action raised. The provider is still registered with Ofsted.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.

For further information please read the Early years compliance handbook which can be found here at www.gov.uk/government/publications/early-years-provider-non-compliance-action-by-ofsted.
