

## **Compliance action taken for childcare provision**

Ref: EY448282/5669323

Date: 14 March 2024

### **Summary of outcome**

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at [www.gov.uk/government/publications/early-years-foundation-stage-framework--2](http://www.gov.uk/government/publications/early-years-foundation-stage-framework--2). If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 27 February 2024, we received some concerns that this provider was not meeting some of these requirements.

On 11 March and 14 March 2024, we carried regulatory telephone calls. We found the provider was not meeting some of the requirements and had taken action to put this right.

The provider has reflected on their safeguarding and allegations management procedure to ensure any significant concerns are referred in a timely manner and adhere with local safeguarding procedures.

The provider will be able to give parents further information about this. The provider is still registered with Ofsted.

### **Publication of compliance action**

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.
