

Complaint about childcare provision

Ref: EY449542/5665305

Date: 14 March 2024

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 22 February 2024, we received concerns that the provider was not meeting some of these requirements.

On 13 March 2024, we carried out a regulatory visit with the provider. We found the provider was not meeting some of the requirements and had taken action to put this right. The provider has reviewed the procedures they follow in the event of allegation being made against a member of staff. Further safeguarding training is being provided for all staff to ensure they have secure knowledge and understanding of the procedures to follow.

The provider will be able to give parents further information about this. The provider is still registered with Ofsted.

Publication of complaints

We publish details of complaints made against childminders, home childcarers and childcare providers where we or the provider have taken action in order to meet legal requirements.

We publish details of complaints on our website for a period of five years.
