

## **Compliance action taken for childcare provision**

Ref: EY481188/5613586

Date: 28 February 2024

### **Summary of outcome**

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at [www.gov.uk/government/publications/early-years-foundation-stage-framework--2](http://www.gov.uk/government/publications/early-years-foundation-stage-framework--2). If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 07 December 2023, we received concerns that the provider was not meeting some of these requirements. On 12 December 2023, the provider notified us of a significant event. The notification means that the provider met their legal responsibility as set out in the Statutory framework for the early years foundation stage to notify Ofsted of any significant incident.

On 23 February 2024, we carried out a regulatory visit. We found the provider was not meeting some of the requirements. We have issued an action for the provider to take. The provider will be able to give parents further information about this. The provider is still registered with Ofsted.

Action needed by 11 March 2024:

- ensure all children have planned daily outdoor activities.

We will monitor the provider's response to ensure the action is successfully completed.

On 07 March 2024, the provider responded to the action set. We found that the provider had improved planning and risk assessments for children's outdoor activities. The provider had implemented appropriate measures for staff to provide daily opportunities for children's outdoor play and learning.

We are satisfied the provider has met the safeguarding and welfare actions raised. The provider is still registered with Ofsted.

### **Publication of compliance action**

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply

with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.
