

## **Compliance action taken for childcare provision**

Ref: 2694554/5676123

Date: 20 March 2024

### **Summary of outcome**

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at [www.gov.uk/government/publications/early-years-foundation-stage-framework--2](http://www.gov.uk/government/publications/early-years-foundation-stage-framework--2). If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 6 March 2024, the provider notified us of two separate significant events. The notification means that the provider met their legal responsibility as set out in the Statutory framework for the early years foundation stage to notify Ofsted of significant events.

On 20 March 2024, we carried out a regulatory telephone call. We found the provider was not meeting some of the requirements and had taken actions to put this right. The provider has improved staff deployment to ensure children are supervised effectively. The provider has reviewed and improved risk assessments to ensure children's safety. The provider has taken steps to supervise staff effectively and ensure that they understand their roles and responsibilities. The provider will be able to give parents further information about this. The provider is still registered with Ofsted.

### **Publication of compliance action**

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.
