

Complaint about childcare provision

Ref: 2697562/5648204

Date: 19 February 2024

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 31 January 2024, we received concerns that the provider was not meeting some of these requirements.

On 19 February 2024, we carried out a regulatory visit. We found the provider was not meeting some of the requirements. We have issued actions for the provider to take. The provider will be able to give parents further information about this.

Actions needed by 11 March 2024;

- ensure leaders improve knowledge and understanding of safeguarding and how to identify when children may be at risk of harm
- implement effective safeguarding policies and procedures to promote children's welfare
- maintain accurate records for the safe and efficient running of the setting, with particular regard to ensuring safeguarding records contain all required information.

On 17 March 2024, the provider responded to the actions set. We are satisfied the provider has taken satisfactory action to meet the safeguarding and welfare actions raised. The provider is still registered with Ofsted.
