

Complaint about childcare provision

Ref: 2556617/5659007

Date: 28 March 2024

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 18 March 2024, we received concerns that the provider was not meeting some of these requirements.

On 18 March 2024, the provider notified us of a significant event. However they failed to notify us within the required timescales.

On 21 March 2024, we carried out a regulatory telephone call. We found the provider was not meeting some of the requirements and had taken action to put this right. The provider has since followed correct safeguarding procedure and processes.

The provider will be able to give parents further information about this. The provider is still registered with Ofsted.
