

## **Compliance action taken for childcare provision**

Ref: EY543640/5687860

Date: 1 April 2024

### **Summary of outcome**

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at [www.gov.uk/government/publications/early-years-foundation-stage-framework--2](http://www.gov.uk/government/publications/early-years-foundation-stage-framework--2). If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 19 March 2024, the provider notified us of a safeguarding matter. The notification means that the provider met their legal responsibility as set out in the Statutory framework for the early years foundation stage to notify Ofsted of a safeguarding concern.

On 27 March 2024, we carried out a regulatory visit. We found the provider was not meeting some of the requirements and had taken action to put this right.

We found that the provider had reflected on their processes and procedures for drop off and collection times for children. They had changed locks on gates and displayed new signage for parents, including new registers of children arriving and leaving the setting. They had ensured staff had updated training on risk assessments.

We are satisfied the provider has improved their knowledge and understanding of safeguarding procedures and fully recognises their responsibilities.

The provider is still registered with Ofsted.

### **Publication of compliance action**

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply

with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.
