

Compliance action taken for childcare provision

Ref: EY548339/5674984

Date: 11 April 2024

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On the 5 March 2024 we received concerns that the provider was not meeting some of these requirements.

On 8 April 2024, we carried out an unannounced regulatory visit. We found that the provider was not meeting some of the requirements and had taken immediate action to put this right.

We found that the provider has carried out a thorough internal investigation into an incident where staff had not followed the setting's procedures for administering medication to a child. These investigations are now complete. The provider has reviewed and updated the policy for administering medication and has ensured all managers and staff fully understand the process and their responsibilities in relation to being the administrator and the witness for any medication given to a child. The provider will be able to give parents further information about this. The provider is still registered with Ofsted.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.

For further information please read the Early years compliance handbook which can be found here at www.gov.uk/government/publications/early-years-provider-non-compliance-action-by-ofsted.
