

Compliance action taken for childcare provision

Ref: 116174/5697439

Date: 17 April 2024

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 2 April 2024, the provider notified us of a matter relating to the management of allergies. The notification means that the provider met their legal responsibility as set out in the Statutory framework for the early years foundation stage to notify Ofsted of any significant event which is likely to affect the suitability of a person who is in regular contact with children on the premises where childcare is provided.

On 16 April 2024, we carried out a regulatory call. We found the provider was not meeting one of the requirements and had taken action to put this right. This includes providing additional training for staff and improving the arrangements to manage allergies more safely. We are satisfied with the action taken by the provider and therefore no further action is required to be taken by us.

The provider will be able to give parents further information about this. The provider is still registered with Ofsted.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.

For further information please read the Early years compliance handbook which can be found here at www.gov.uk/government/publications/early-years-provider-non-compliance-action-by-ofsted.
