

## **Complaint about childcare provision**

Ref: EY477633/5695768

Date: 23 April 2024

### **Summary of outcome**

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at [www.gov.uk/government/publications/early-years-foundation-stage-framework--2](https://www.gov.uk/government/publications/early-years-foundation-stage-framework--2). If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 28 March 2024, we received concerns that the provider was not meeting some of these requirements.

On 16 April 2024, we carried out a regulatory visit. We found the provider was not meeting some of the requirements. We have served a welfare requirements notice. This is a legal notice that requires the provider to take the actions below within the timescales set out. The provider will be able to give parents further information about this. The provider is still registered with Ofsted.

Actions needed by 02 May 2024:

- implement and monitor robust risk assessments, to ensure all potential hazards are identified, minimised and managed effectively, to keep areas safe for children

We will monitor the provider's response to ensure the action/s is/are successfully completed.
