

Compliance action taken for childcare provision

Ref: 101701/5717792

Date: 7 May 2024

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 23 April 2024, the provider notified us about an incident involving the administration of medication. The notification means that the provider met their legal responsibility as set out in the Statutory framework for the early years foundation stage to notify Ofsted of significant events.

On 7 May 2024, we carried out a regulatory telephone call. We found the provider was not meeting some of the requirements and has taken action to put this right. They have booked staff on to additional training to improve their knowledge and build their confidence of administering medication to children. Additionally, the provider has worked with parents to ensure greater consistency in meeting children's individual health needs and reviewed their procedures. A manager will now check and approve the dosage of medications before the staff administer them to children. The provider will be able to give parents further information about this.

The provider is still registered with Ofsted.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.

For further information please read the Early years compliance handbook which can be found here at www.gov.uk/government/publications/early-years-provider-non-compliance-action-by-ofsted.
