

Compliance action taken for childcare provision

Ref: EY494386/5647761

Date: 10 May 2024

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 2 January 2024 and 24 January 2024, the provider notified us of two significant events. The notification means that the provider met their legal responsibility as set out in the Statutory framework for the early years foundation stage to notify Ofsted of the significant events.

On 7 February 2024, we carried out a regulatory telephone call. We found that the provider had re-trained staff on child protection processes and procedures. The provider had reminded staff of expectations of staff behaviour and professional conduct. In addition, staff received training about implementing the setting's positive behaviour policy effectively. The provider continues to monitor staff awareness and implementation of these policies and procedures through staff induction, regular staff meetings and general observations of staff.

The provider will be able to give parents further information about this. The provider is still registered with Ofsted.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to

bring about compliance with requirements on our website for a period of five years.

For further information please read the Early years compliance handbook which can be found here at www.gov.uk/government/publications/early-years-provider-non-compliance-action-by-ofsted.
