

Complaint about childcare provision

Ref: 2634351/5714495

Date: 10 May 2024

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 23 April 2024 we received concerns that the provider was not meeting some of these requirements.

On 29 April 2024 and on 7 May 2024 we carried out regulatory telephone calls. We found the provider was not meeting one of the requirements and had taken action to put this right. Management has spoken to the staff team to reaffirm the importance of effective communication with parents to ensure the needs of all children are consistently met. The provider will be able to give parents further information about this. The provider is still registered with Ofsted.

Publication of complaints

We publish details of complaints made against childminders, home childcarers and childcare providers where we or the provider have taken action in order to meet legal requirements.

We publish details of complaints on our website for a period of five years.

For further information about the complaints process please view the [Concerns and complaints about childminders and childcare providers leaflet](#).
