

Compliance action taken for childcare provision

Ref: EY493466/5729634

Date: 20 May 2024

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 13 May 2024, the provider notified us that a child was given food that they are not supposed to eat. The notification means that the provider met their legal responsibility as set out in the Statutory framework for the early years foundation stage to notify Ofsted of a significant incident. The provider will be able to give parents further information about this.

On 20 May 2024, we carried out a regulatory telephone call. We found the provider was not meeting some of the requirements and had taken action to put this right. The manager has reinforced the mealtime policy and procedure with staff and carries out spot checks to ensure they are being followed. The person responsible for preparing food now re-checks the register to ensure they know which children are in attendance with specific dietary needs.

The provider is still registered with Ofsted.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.

For further information please read the Early years compliance handbook which can be found here at www.gov.uk/government/publications/early-years-provider-non-compliance-action-by-ofsted.
