

Compliance action taken for childcare provision

Ref: 148858/5725633

Date: 4 June 2024

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 2 May 2024, the provider notified us of an incident. The notification means that the provider met their legal responsibility as set out in the Statutory framework for the early years foundation stage to notify Ofsted.

On 4 June 2024, we carried out a regulatory telephone call. We found the provider had taken appropriate action with the incident. However, during the telephone call we also found the provider was not meeting some of the requirements and had taken action to put this right. The provider understands their responsibilities to comply with their legal duties, particularly in relation to the General Data Protection Regulation. They have reviewed and improved their procedures for notifying changes to the committee. The provider knows how to provide Ofsted with the necessary information to check the suitability of committee members.

The provider will be able to give parents further information about this. The provider is still registered with Ofsted.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.

For further information please read the Early years compliance handbook which can be found here at www.gov.uk/government/publications/early-years-provider-non-compliance-action-by-ofsted.
