

Compliance action taken for childcare provision

Ref: EY404025/5697448

Date: 22 May 2024

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 26 January 2024 and 28 March 2024, the provider notified us of two separate significant events. The notification means that the provider met their legal responsibility as set out in the Statutory framework for the early years foundation stage to notify Ofsted of any significant event which is likely to affect the suitability of any person who works with children on the premises.

On 17 April 2024, we received concerns that the provider was not meeting some requirements.

On, 25 April 2024 we carried out a regulatory visit. We found the provider was meeting some of the requirements and had taken action to put this right. The provider has taken steps such as providing additional training and by reviewing policies and procedures to ensure that all staff understand their roles and responsibilities, particularly with regards to supervising children adequately at all times to ensure their safety.

The provider will be able to give parents further information about this. The provider is still registered with Ofsted.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.
