

Complaint about childcare provision

Ref: EY307278/5756274

Date: 19 June 2024

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 14 June 2024, Ofsted received concerns and the provider notified us of a significant event. The notification means that the provider met their legal responsibility as set out in the Statutory framework for the early years foundation stage to notify Ofsted.

On 18 June 2024, we carried out a regulatory visit. We found the provider was not meeting some of the requirements and had taken action to put this right. They have improved the procedures for emergency evacuation. The provider will be able to give parents further information about this.

The provider is still registered with Ofsted.
