

## **Compliance action taken for childcare provision**

Ref: EY478297/5737686

Date: 24 June 2024

### **Summary of outcome**

#### **Our reference EY478297/ 5737686**

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at [www.gov.uk/government/publications/early-years-foundation-stage-framework--2](http://www.gov.uk/government/publications/early-years-foundation-stage-framework--2). If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 22 May 2024, we received concerns that the provider was not meeting some of these requirements. The provider also made a notification to Ofsted in relation to the same matter. This notification means that the provider met their legal responsibility as set out in the Statutory framework for the early years foundation stage to notify Ofsted of changes and significant event.

On 20 June 2024, we conducted a regulatory visit. We found the provider was not meeting some of the requirements and had taken action to put this right. We found the provider had taken steps to improve staff's understanding of how to supervise children effectively to help keep children safe.

The provider will be able to give parents further information about this. The provider is still registered with Ofsted.

### **Publication of compliance action**

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.

For further information please read the Early years compliance handbook which can be
