

Complaint about childcare provision

Ref: EY376223/5728334

Date: 23 June 2024

Summary of outcome

Our reference EY376223/ 5728334

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 9 May 2024 we received concerns that the provider was not meeting some of these requirements.

On 20 June 2024, we conducted a regulatory visit. We found the provider was not meeting some of the requirements. We have issued an action for the provider to take. The provider will be able to give parents further information about this.

Action needed by 4 July 2024:

- improve staff's understanding of effective supervision of children to help keep children safe.

On 2 July 2024, the provider responded to the action set. We found that the provider had taken steps to improve staff's understanding of how to supervise children effectively to help keep them safe.

We are satisfied the provider has met the safeguarding and welfare action raised. The provider is still registered with Ofsted.

Publication of complaints

We publish details of complaints made against childminders, home childcarers and childcare providers where we or the provider have taken action in order to meet legal requirements.

We publish details of complaints on our website for a period of five years.
