

Compliance action taken for childcare provision

Ref: EY494996/5742984

Date: 10 July 2024

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 29 May 2024, the provider notified us about a significant event. The notification means that the provider met their legal responsibility as set out in the Statutory framework for the early years foundation stage.

On 20 June 2024, we carried out a regulatory visit. During the visit, we found that the provide was meeting the requirements relating to the notification that had been made to Ofsted.

However, during the regulatory visit on 20 June 2024, we found that the provider was not meeting some other requirements. We have issued an action for the provider to take. The provider will be able to give parents further information about this. The provider is still registered with Ofsted.

Actions needed by 12 July 2024:

- implement effective arrangements to ensure that all staff receive regular supervision to promote the interests of children.

We will monitor the provider's response to ensure the action is successfully completed.

On 28 June 2024, the provider responded to the action set. We found that the provider had put arrangements in place for all staff to receive regular supervision.

We are satisfied the provider has met the safeguarding and welfare action raised. The provider is still registered with Ofsted.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services

we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.
