

## **Compliance action taken for childcare provision**

Ref: EY437985/5773896

Date: 11 July 2024

### **Summary of outcome**

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at [www.gov.uk/government/publications/early-years-foundation-stage-framework--2](http://www.gov.uk/government/publications/early-years-foundation-stage-framework--2). If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 5 July 2024, the provider notified us of an incident whereby a child was left alone in the setting's garden. The notification means that the provider met their legal responsibility as set out in the Statutory framework for the early years foundation stage to notify Ofsted of significant incidents.

On 11 July 2024, we carried out a regulatory telephone call. We found the provider was not meeting some of the requirements and had taken action to put this right. The provider has made sure that all staff understand their roles and responsibilities, including new and cover members of staff. They have made sure that daily inductions for cover members of staff include information about the needs and personalities of individual children, which will help them keep children safe. Finally, the provider has reviewed and strengthened risk assessment processes even more so, so that children are kept safe and accounted for during their transitions between different parts of the setting.

The provider will be able to give parents further information about this. The provider is still registered with Ofsted.

### **Publication of compliance action**

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.

For further information please read the Early years compliance handbook which can be found here at [www.gov.uk/government/publications/early-years-provider-non-compliance-](http://www.gov.uk/government/publications/early-years-provider-non-compliance-)
